Delivery Terms:

Delivery via parcel service:

Up to a total weight of 119kg we will send the goods to you via parcel service. Please use the table below to calculate the carriage costs.

Delivery via Carrier:

From a weight of 120kg the Goods will be shipped via Carriers. Transport costs are then shared, whereby Enra GmbH & Co KG is responsible for transport within Germany.

Transport costs outside of Germany are carried by the customer. In order to find the most favourable tariff for you, we orient ourselves on the current market prices of different Carriers. To aid us in this, please give your exact address and the total weight of your order. Then we will be able to inform you of the most favourable tariff for you.

Terms of payment:

Payment is only accepted in advance. To be paid in advance are the invoice amount plus proportionate transport costs.

Otherwise the Terms as laid out in the General Business Agreement apply
